

THE MANSION AT BALD HILL *grounds*

The grounds of The Mansion at Bald Hill are beautiful all year round. Although the flowers in the garden are no longer in bloom during this time of year, it is still an elegant place to say I do. The Mansion grounds have many gorgeous areas for photo opportunities during the winter season rain or shine.

THE BANQUET CENTER *ceremony option*

As the weather gets colder, The Banquet Center is a great option for an indoor ceremony. Dependent on the number of guests, a ceremony can be conducted in the Grand Ballroom or in the Pre-Function Room next to the fireplace.
